- TIME MANAGEMENT
- LEADERSHIP
- EFFECTIVE COMMUNICATION
- CRITICAL THINKING
- RISK MANAGEMENT
- TEAM WORK

PROFILE

A Bachelor of Computer Applications (BCA) undergraduate student interested in technology and problem-solving. With a strong foundation in programming (Python, SQL, JavaScript) and web development, I bring a user-friendly approach to creating innovative, responsive, and user-friendly digital solutions.

My experience includes building a personal portfolio and collaborating on projects that require critical thinking and attention to detail. I am eager to leverage my skills in programming, analytical problem-solving, and effective communication to contribute to a work environment.

INTERNSHIP EXPERIENCE Front-End Web Developer Intern | Bharath Intern | 2023 - 2024

- Developed and deployed a personal portfolio website showcasing responsive design principles.
- Applied HTML, CSS, JavaScript, and Bootstrap for interactive and visually appealing web pages.
- Collaborated on frontend projects to enhance user experience and site performance.
